# How does the Easy Export Plugin works?

The Easy Export plugin is very simple plugin to used. All it does is pull the data from your woo-commerce website and insert into the lists/reports. There are 7 lists. The **7** lists are: **Order List**, **Sale List**, **Billing List**, **Shipping List**, **Mailing List**, **Product List** and the **Category List**. Any discrepancy /errors on the lists you have to fixed it on the website and if you correct the errors, the lists/reports will automatically update the data.

The image example below show how the list/report looks like:

# What are the functions and how does it work on the Easy Export Plugin?

When you click on the the tabs, it will show the lists.

If you click on the header(title) it will sort the letters and numbers, so you can see the info that you need/want to look at.

There are 3 buttons. The 3 buttons are **PDF**, **Export as CSV** and **Print Preview**:

The **PDF** button will export the list as an **PDF** file.

The **Export as CSV** button will export the list as an **CSV** file.

The **Print Preview** button will display a window of the spreadsheet.

To print out the spreadsheets:

For **Chrome & Opera & Edge** users press on **Ctrl + P** (After you click on the **Print Preview** button).

For **Firefox** users just click on  - *Open Menu* and select **Print**.

For all 4 browsers, you have to set **Print Setttings**:

**Layout:** Portrait / Landscape

**Paper size:** Letter

**Scale:** Fit to size / 100% or less.

**Margins (inches):** 0.0 (all)

**Header/Footer:** --blank-- (all)

Then press **Print**
